If you are offered employment in a public school in the state of Ohio, you are required by law to submit to a criminal records check by the Ohio Bureau of Criminal Identification and the Federal Bureau of Investigation. Record checks are available at your expense at the North Central Ohio Educational Service Center in Tiffin (419-447-2927) or the Sandusky County Sherriff's Department in Fremont (419-332-2613). If the criminal records check shows that you have been convicted of or pleaded guilty to any one specified list of offenses, you may be released from employment. Likewise, if you fail or refuse to cooperate in a criminal records check, you may not be employed in any school district in the state of Ohio. Certified copies of criminal record checks may be accepted for a period of one year from the date of issuance.
